

REDISCOVER THE COMFORT
of Broan electric furnaces

Efficient - Clean - Quiet

NORTRON
by **BROAN**

5-year warranty
on all parts

D and ECM Series Models

- No chimney required, 100% of the heat produced stays inside the building
- Produces no soot or smoke
- Quiet blower
- Compatible with all thermostats - no additional wall control required
- Master speed selection switch allows control over maximum ventilation speed
- Season selection switch allows for more gradual heating response in shoulder seasons
- Worry-free operation with no possibility of overheating
- Digital heating element controllers provide very high reliability compared to sequencers
- Can be installed for vertical, horizontal or downflow operation
- 40" H x 20" W x 20" D
(1016 mm H x 510 mm W x 510 mm D)
- Uses standard 20" x 20" x 1" filters
